# NEVER A DISCONNECT

Author: Sadhna Shanker

*Never a Disconnect* is a journey. It is a multi-layered story of subtle anguish, yearning and hope, moving back and forth from past to present. Abha, Rekha and Simran pass through the portals of Delhi University on a roller coaster ride of idealism, romance and dreams before waking up to professional challenges, grappling with failed and failing relationships, parenthood, religious differences, and myriad expectations. They face life—with its simple joys and complex desires.

From mothers who lived for others, to daughters who try to live for themselves, there is always hope that perhaps, someday, granddaughters will actually live for themselves.
