The *Vengeance* is the unhappy tale of Prince Vidudabha, the son of Maharaja Pasenadi of Kosala and Maharani Vasabhakhatiya of Kapilavatthu. Things take a turn for the worse when a heavily guarded secret comes out in the open and flips the lives of the Yuvraj and the Maharani upside down. The atrocities committed by Pasenadi and the prince's maternal grandfather Mahanama changes Vidudabha into a revengeful and bitter person, who indulges in a vengeful bloodbath never perhaps witnessed before in history.

Alongside the woeful tale of Vidudabha runs the storyline of the Sakyamuni Buddha preaching his *dhmma*. The Buddha appears in every episode of the story, sharing his words of wisdom and showing the path of light through his sermons. The irony apparent in this gripping story is that at a time when the Buddha wanders spreading love and peace, he fails to make an impression on the spiteful mind of Vidudabha.

Subhashis Das has woven a remarkable story of love and hate, compassion and conspiracy in India's ancient era that combines history, religion, and fiction in a fascinating read.

Subhashis Das is an eminent researcher and author of the ancient history of the tribals and their various megaliths, apart from being an educationist. He is also accredited to have discovered numerous ancient

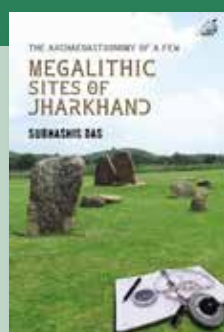

megalithic sites across India, many of which are his study sites till date. Besides writing several papers for many significant journals, he has authored four books on his research, two among them being *Unknown Civilization of Prehistoric India* (2014) and *The Archaeoastronomy of a Few Megalithic Sites of Jharkhand* (2018).

Jharkhand Educational Council has incorporated his discovery and research on megaliths in the history books of the state. National Geographic and Doordarshan have made several documentaries on his discoveries. He is also invited across the country and abroad to lecture on his discoveries and research on megaliths and tribalism.

A remarkable story of love and hate, and compassion and conspiracy in India's ancient era combining history, religion, and fiction in a fascinating read.

Each episode begins with Buddha's sayings from different scriptures, which uphold the lessons that each story carries.

The Buddha also alludes to interesting tales in the process of delivering his sermons, which help readers connect easily with the plot.

Also Available: His bestselling book

The Archaeoastronomy of a Few Megalithic Sites of Jharkhand (2018).
